Dear Guy,

Thank you for participating in Sertoma's Club Grant Program! We are excited to inform you that Powell Sertoma Club, Inc is the recipient of a grant. Enclosed you will find a check to Powell Sertoma Club, Inc for \$2000.

As per program requirements, your club will need to submit a brief summary of how the funds were used by the benefiting nonprofit organization. We encourage you to also include any media materials (pictures, video, etc.) that you are willing to share. We use this information to promote your support of the organization and to tell your club's Sertoma story. This information is required for your club to be eligible for additional grants in the future.

To help promote and celebrate your club's grant, we also recommend that you share a press release with your local media and post it to your club's social media. We have included these templates with this letter as a guide to help you get started. You can also download digital versions through the Club Grant program page at sertoma.org/club-grant.

The Sertoma Club Grant Program was established in 2021 to help further clubs' efforts to support community charitable programs and organizations. Thanks to the support of members and donors over the years we are able to offer this program.

Thank you again for your participation. We look forward to learning more about how the funds will support Service to Mankind in your community!
