

Your Donation Could Feed a Family

This Holiday

For the past 17 years, the Powell Sertoma Club has raised over \$100,000 to help provide a complete holiday meal to deserving families during the Thanksgiving and Christmas season. To help continue this project, we are asking for your help with any amount of donation you would like to provide. Each dinner costs \$80.00. We provide these dinners to area churches, community groups and Delaware City Schools that help people throughout the year and know where there are needs. Any additional money raised will be used for other charitable projects throughout the year. Last year for Thanksgiving 70 families received these dinners. For the Christmas we provided 90 Holiday family meals, bringing the grand total to over 2,000 families enjoyed a warm holiday meal at their home. We are planning to do this amount during those holidays this year.

Working with Kroger, we can get complete, prepared dinners for families. Each dinner includes a cooked turkey, dressing, mashed potatoes, rolls, a vegetable, and of course, a pumpkin pie.
