

Your Donation Could Feed a Family *This Holiday*

For the past 12 years the Powell Sertoma Club, along with other area service clubs, have joined together to raise over \$55,000 to purchase 1,291 Holiday Dinners for deserving families during the Thanksgiving and Christmas season. Each family dinner feeds 6 people for a total of almost 7,740 meals, or 32,000 lbs of food.

To continue this project we are asking for your help with any donations you would like to provide! Kroger has been preparing these Holiday Dinners including: a cooked turkey, dressing, mashed potatoes, rolls and pumpkin pie at a cost of \$49.00. Donations of \$49.00 will buy one complete family dinner while donations of \$98.00 will buy two and so on. Additional money collected will be used for other charitable events throughout the year.

You can mail your tax deductible donation to:
